Parties were originally scheduled to have the mediation on October 6, 2006 with Magistrate Judge James. An extension is required because both counsel have a conflict with this date. Magistrate Judge James telephonically provided an alternative available date for the mediation of November 17, 2006. Because this next available date is after the date upon which parties would need to submit a supplemental case management statement to this Court, parties also request that the date for the supplemental case management conference be enlarged to November 27, 2006. This is the first request for an extension of time. No other dates have been calendered, therefore, this enlargement of time for the mediation will not cause any undue delay in the trial timing.
